eaflet To Eliminate 'Jap' Distributed By JACL

SAN FRANCISCO.—A simple, ut solid plea to eliminate the se of the term "Jap" from the ritten and spoken English lanuage is contained in a new leafet published recently by the apanese American Citizens League, according to Akiji Yoshiura of Colusa, national chairan of the JACL public relaions committee.

Leaflet carries "Please don't" n the red-white front panel and nside continues with "Don't use he word 'Jap' for several reaons:

1—It is offensive to many Americans.

2—It is derogatory in the same ense as "kike, wop, chink and igger."

3—Right-thinking, fair-minded Americans do not use such expressions.

4—They are a shameful remant from an earlier era when ur country was made up of many unassimilated immigrant groups. But that era is gone, nd we are all Americans proud of our backgrounds and entitled o dignity.

Leaflet also explains why "Jap" is not a nice word, noting its history when as used by bigots and racists intent on riding the West Coast of the fictitious "yellow peril" and "Jap" became a symbol of hate and contempt.

"Those days are gone forever, but the expression—no matter how innocently used—still stings like a whiplash," the leaflet adds.

Three major dictionaries are also quoted:

"An opprobrious usage," says Funk & Wagnalls. A shortened term often expressing contempt," says Webster's New World Dictionary. "Often used disparagingly," says Webster's Third International Dictionary.

As a positive guide to those in the communications media in need of a short, accurate, descriptive term of the Japanese American, the leaflet suggests "Nisei," which has by common usage become applicable to all Americans of Japanese origin.

Diefenbaker Attack Immigration Dept.

OTTAWA. — A change of minister without a change in philosophy won't bring about improvements in the immigration department, Opposition leader John Diefenbaker said recently.

Diefenbaker said that by switching Rene Tremblay from the immigration ministry to postmaster-general, Prime Minister Lester Pearson acknowledged the validity of criticisms aimed at Tremblay and the immigration department.

"We must have the assurance from the prime minister of a complete cleanup in the department of those practices that have been carried on," he said.

Y. Senda Honored In Lethbridge

LETHBRIDGE, Alta. — The Foley Award — emblematic of the top sportsman and athlete in Lethbridge — this year was presented to Mr. Yosh Senda, dedicated judo coach of the Lethbridge YMCA Judo Club, at the recent annual Kinsmen Sportsmen's Dinner.

Other sport celebrities attending this dinner were: Canadian boxing champion, George Chuvalo; Tom Tresh of the New York Yankees; Tom Brown of the B.C. Lions; Frank Ryan of the Cleveland Brows; Bobby Hewitson of the National Hockey League; Jim Piersall of the Los Angeles Angels; and Lovell Coleman of the Calgary Stampeders.

Local press describes Mr. Yosh Senda as the "quiet, effective and dedicated judo coach of the Lethbridge YMCA. whose untiring efforts have resulted in local judo artists being considered among the best in the west."

Mr. Senda is well-known throughout Canada as a popular and able judo sensei. He is a member of the Canadian Kodokan Black Belt Association.

CPA President Predicts . . . .

19 Minutes From Van. B.C. To Japan By Rocket In 1980

VANCOUVER, B.C.—By the 1980's, an air passenger may step into a rocket plane in Vancouver, slip a tranquillizer into his mouth and wake up some 19 minutes later in Japan, according to the President of the Canadian Pacific Airlines, Mr. G. W. Grant McConachie.

Addressing the Vancouver Institute here, the speaker described the Pegasus passenger capsule, already on the drawing boards of a major U.S. plane manufacturer, as the vehicle which may well leapfrog the supersonic era, projecting man into commercial hypersonic flight in less than 20 years.

"The stream of achievement given such major impetus by the Wright brothers has become a veritable torrent". He described the 61-year history of flight from the first bamboo-and-fabric biplane to the modern jet airliner as "just a beginning".

Supersonic flight, confronted with such formidable difficulties as the heat barrier, the sonic boom and unfavorable economics, may eventually be by-passed by the rocket plane. It will need no runways, will climb vertically beyond the range of gravity and will cruise outside the atmosphere at 17,000 miles an hour. It will reach any destination in the world in 40 minutes, the speaker predicted. Over the destination, retro-rockets will guide the descent through the atmosphere onto a landing pad where passengers will debark.

The Pegasus passenger capsule will be pressurized to maintain a normal breathing atmosphere. To minimize the stresses of acceleration on take-off and deceleration through the atmosphere on the landing approach, passengers will recline on couches but there will be no requirement for stewardess service "except perhaps to hand out tranquilizers".

From an operating point of view the Pegasus will be extremely simple. It will have no great complex of engines and moving parts but will be more like a slow-burning fire cracker using a mixture of liquid oxygen and hydrogen to boost it through the earth's atmosphere to the perimeter of outer space where it will cruise without power, its direction controlled by push buttons operating steering and retro-rockets.

Prior to supersonic or rocket travel perhaps the next important air transport development will be a commercial version of the military C-5A transport jet, Mr. McConachie forecasted. This aircraft will carry 700 passengers at the same speed as present jets but because of its size and efficiency could reduce the present air fares by as much as 40%. It could mean a $50 fare Vancouver-Honolulu and a $100 ticket Vancouver to the Orient.

Three Ships

MAIL TO JAPAN. Three ships will soon be leaving for Japan. They are: Iberia leaving Vancouver on Feb. 27th. Oregon Mail leaving Vancouver March 3rd, and the Pres. Cleveland leaving San Francisco on March 4th.

Daniel K. Inouye's Story In U.S. Mag.

NEW YORK. — Under the title "The Heroic Saga of Daniel Ken Inouye—Soldier, Senator, Statesman," the true story of the first Nisei Congressman and Senator, is told by Ed Hymoff, in the February issue of "Bluebook," a magazine for men.

The author relates the situation of the Nisei after Dec. 7, 1941 and how they were treated. He traces the formation of the 100th Infantry Batallion and the 442nd Infantry and recounts Inouye's valor with the Nisei troop.

1 Year Prison For Under 1 Cent Theft

TOKYO. — Japan's Supreme Court ruled recently that Keiichi Obata, 36, must go to prison for one year for an extortion valued at about nine-tenths of one U.S. cent.

The presiding judge of the Supreme Court, Makoto Iwata, ruled, "however small the value of the article may be, taking it forcibly does constitute a criminal act of extortion."

The Supreme Court upheld Obata's prison sentence for taking 10 silver carp valued at one-third yen from a commercial river fisherman.

Officials Ask Joy Girls To Cooperate

YOKOHAMA. — A distressed immigration official in the port city of Yokohama came out with a "classic" set of statistics:

1) A total of 380 foreign sailors during the past year missed their boats, and

2) Ninety-nine percent of them did so "because of wine and women."

The immigration office in Yokohama in consequence had this plea to make, according to the Weekly Bunshun:

"Ladies in entertainment districts: we have no objection to your earning foreign currency, but please cooperate with us by releasing these customers of yours in time for them to catch their boats."

SPORTS

Tsuruoka's Work Praised

TORONTO. — Before leaving Toronto, Japan's master swordsman, Hiromasa Takano gave high praise to the efforts of the J.C. Cultural Centre's Nisei Karate Club under the guidance of Mr. Mas Tsuruoka, 5th-dan.

Takano Hanshi

In conversation with the Executive Director of the Centre, Mr. Bob Kadoguchi, Takano Hanshi expressed his amazement at finding "such a fine and true Budo attitude" in the group. In a lengthy after-shower conversation over soft drinks with the karate group, Hanshi expressed his philosophy of martial art—"not only the advancement of technique, but a way of life."

The master also told Mr. Kadoguchi that these students have a "fine grasp and understanding of martial art etiquette."

This, explained Mr. Kadoguchi, is the result of the teachings of Mr. Tsuruoka, which imbues most of Canadian karate, and which is strictly followed at the Centre.

Entries Still Open For Eastern Bonspiel

TORONTO. — Sixteen Rinks have entered the 1st. Annual Eastern Canada Nisei Bonspiel to be held at The Broom and Stone Curling Club in Toronto on Saturday Feb. 27, 1965.

Curlers from Ottawa, Deep River, St. Catherines, Oakville, Burlington, Toronto and other towns will compete for the many valuable prizes.

As this is the first Nisei Bonspiel, we invite the public to come and watch the Nisei in action. (No charge). The first game is scheduled for 3-5 p.m. and the second starts at 7-9 p.m.

There is no doubt that this is becoming a most popular winter family sport and as you have read in these columns last week, the West has suggested that we have an "All Canada Nisei Bonspiel". It sounds very feasible.

Five Top Karate Instructors From Japan To Include Canada In Tour

TOKYO. — Five of Japan's top karate instructors will tour Canada next month to help organize and spread the art, reported the Mainichi Shimbun who is sponsoring the tour.

These 5 karate instructors, representing the Nippon Karate Kyokai (Japan Karate Association) under President Hidetsugu Masutani, will leave Japan on February 27th to begin the tour which will include countries such as West Germany, France, Belgium, Holland, Switzerland, Israel, and Great Britain.

The five are:

Taiji Kase, 6th-dan, a 36-year-old Senshu University graduate. At present he is the Chief Instructor at Hitosubashi University. Last year, Kase spent 3 months instructing in the United Arab Republic. He will return there after the tour in May for another 6 months.

Hirokazu Kanazawa, 5th-dan, a 33-year-old Takushoku University graduate. He was the [winner] of the 1st and 2nd All [Japan] Karate Championship. At [present] he is the Chief Instructor at the Mushashi Institute [of] Technology. He has spent [...] years instructing in H[...]. After the tour, Kanazawa [will] instruct in England.

Eastern Nisei Curlers Entering Many Bonspiels

TORONTO. — A Nisei team nearly placed first Feb. 13th in the Terrace St. Valentine's Mixed Bonspiel. Skip, Herb Sugie with Louise Nagano, Tosh Nagano and Mary Obana showed great skill in winning their first two games 15-1 and 7-6. However, in the third game "Lady Luck" refused to look their way. With the score tied 5-5 going into the last frame, Herb needed to count two with his last rock and another lying inches off the house. The rock curled slightly off and the score ended 7-5 for the opponents. Should they have won this game, they would have had taken top spot with their impressive points for-and-against record.

In another bonspiel in St. Catherines Feb. 6th, the JCCA curling league representatives put up a good fight but lost to teams which placed second and third in the final standings.

The league will enter an all-star men's team and a mixed team in the Terrace championship which begins in March. The winner of this competition will go into the city playoffs. As well, the league will probably enter five or six teams in the First Annual Eastern Canada Nisei Bonspiel which will be held Feb. 27th at the Broom and Stone. With a total of at least 14 teams in the bonspiel, it should prove to be entertaining for all.

In league competition, a three way tie for first place was eliminated Feb. 12th. While Bob Kimura tied George Takahashi 8-8 and Herb Sugie lost 6-4 to Yo Kawaguchi, Ed Ryujin took sole possession of top spot with a 7-6 win over Ray Hinatsu. The league standing is as follows.

Ed Ryujin	8
Bob Kimura	7
Yo Kawaguchi	6
Herb Sugie	6
Gordon Kai	5
Mits Sumiya	5
George Takahashi	5
Vic Suzuki	4
Norm Nasu	4

東京へ十九分で

旅費も僅か百弗程度にて CPA社長が未來を描く

カナダ太平洋航空社長 マコナキー氏

東京・バンクーバー間の片途航空料金は將來、わずか百弗になり、飛行時間もたった十九分という時代が來るであろうとカナダ太平洋航空のマコナキー社長が最近演說して注目を惹いた。

同社長は目下檢討されているスーパー・ソニック(超音飛行)時代から一氣にロケット飛行時代に突入するかも知れず、そうなれば時速一万七千マイル(ジェット機の六倍の速さ)で世界のどこでも四十分内外で一飛びするようになり、現在八時間半を要する東京・晩市間も、たった十九分ですむというのである。

こういう時代がやがて到來すれば、スチューワデスの仕事は乘客に救命胴を配るのみになってしまうだろうといっているが、その時代前に、恐らく七百人乘りの巨大ジェット機が航空界に君臨し、航空料金も大巾に値下げされることはきわめて可能であると同社長は予斷している。

明治の女はどう生きてきたか?

（二）

富山の女性もまた、ねばりづよい。富山の片田舎の古い酒屋の一人娘として明治二十年（一八八七年）に生れたモトさんは、創設されたばかりの高等女學校をも出るが、十八歳で、見合もろくにせず、相手もよく知らずに、同じ縣下の古い商家に嫁にゆく、式の當日後妻だということを夫から知らされ、おどろいたが仕方ない。一男二女の生れたのち、モトさんの二十五歳のとき、夫はエビフライの中毒で急死する。

このあとモトさんは新しい商賣である肥料店の全さいはいをふつて發展させるが、ようやく成長した一人息子が專門學校を卒業すると、表面上引退し、息子や二人の娘の結婚を強力に推進する。

五十をすぎて関節炎リューマチにかかり、病床にありながらも、氣の弱い息子たちを励ましながら、戰中戰後の經濟變動の中に、肥料、製薬また肥料と、困難な經營をつづけ、病人のつづく家庭の大黒柱であったが、七十歳の夏、肺炎で突然死んでゆく。

×

戰爭は男性にとって災厄であるばかりでなく、女性にとっても大きい災難であった。鹿児島のカネさんは嘉永四年（一八五一年）藩士の家に生れ、十六歳で結婚したが、夫は三人の弟とともに西郷隆盛の亂に加わり弟らは戰死、夫は反徒として捕えられ、出獄後も『国賊』や『生きのこり』として苦しい年月をすごす。

ようやく平安の生活をかちえたのち、七十歳をすぎて夫や長男に先立たれ、ブラジルに渡った次男の子どもの成長を唯一の生きがいに老後をおくるが、この孫もやがて満州事變に從軍して死ぬ。あらゆる苦勞をたえしのび、かつて不平をいったりしたことのなかった彼女も、この打撃に、九十四年の生涯をおえる。

×

戰爭はまた思わぬ悲劇をもたらす。カメさんは明治十九年（一八八六年）沖縄の離島に生れた。十七歳で小學校の先生と結婚、三男三女を生むが、やがて夫は最愛の長女の死を悲しむあまり、酒にひたって廃人同様となって死ぬ。

農地解放で最良の土地を失うが、子どもらは成長して教員や官吏となり、夫の恩給をこづかいに、子どもらの家を泊りあるいて氣樂な老後をおくるが、つい數年前、戰爭や、戰後の事情で会えなかった東京に住む次女には二十數年ぶりに會う。愛する祖國へも『戰爭はこんなに來づらくしてしまつて』と憤るのである。

×

國境をこえて、自らの力でしあわせを求めてゆききする女性もいた。

山口のイリさんは明治二十六年（一八九三年）没落商家の次女として生れた。高等小學を出て奉公していたが、明治四十四年十九でひとりハワイへわたり、親のきめた、寫眞だけで知っている青年と結婚する。夫はレストランのコック、自分はサラ洗いやメイドをやり、五人の子を育てるが日本人小學校もないころであ

しかし次男の死、長男の專門學校卒業、長女の結婚式そして国家總動員法の發令とともに、二世の子どもはハワイへ歸り、彼女一人商店や病院のまかない婦となって働く。

終戰後、接收された邸宅の掃除婦となり、主人のアメリカ海軍少將にたのんでハワイ渡航の許可をもらい三十年ぶりに夫や子や孫たちと一緒の生活を始める。そして子どものとめるのもきかず、大金持の別荘の管理人となり、自分の金で何度か日本へあそびにくることをたのしみに、今も七十すぎのからだを働かせている。

七五弗の老年恩給 五年後に六五才から

來年から満六十九才で貰える

【オタワ】ピアソン首相が今週、議会で提出したカナダ・ペンション法案によって、一九七〇年から老年恩給は現在の満七十才から引下げられ、六十五才になれば月七十五弗の恩給をうけることを明らかにした。

同時に今后五年間に亘り各段階的に老年恩給をうける年齢を一年宛引き下げ、一九七〇年に達すれば、全加の六十五才以上にはペンションを與えることになっていると發表した。

いい換れば來年一月に年齢六十九才になる者は老年恩給をうけ、來々年(一九六七年)一月に六十八才になれば同様に恩給をうけ、そして一九六八年一月に六十七才の者、一九六九年一月に六十六才の者、一九七〇年に六十五才になる者に月七十五弗のペンションを付與するということになるわけ。

現在、カナダで老年恩給をうけている者は百万人以下であるが、一九七〇年には恩給受領資格の年齢が六十五才に引下げられることになれば、ペンションを貰う者は百六十万人になろうと推定されている。

一九七〇年になって支拂う恩給額は一億八千万弗に達するので、その財源捻出としてタックス増加は免がれないとされている。また六十五才に達してからも仕事をつづけ、收入ある者にはこの段階式ペンションは不利な點をふくみ、インカム・タックスから五百弗除外するのがなくなるわけである。

しかし、全体的には六十五才でペンションがつけば自然的に引退する者が大部分になることを政府では見越しているので、カナダ・ペンション法には野黨各派もますは賛成を表明している。

カナダの資材は必要 島津大使

日本品をもっと買ってほしい

【ナイアガラ・フォールス】カナデアン・クラブ会合に今週招かれた駐加島津大使は『カナダ資材の日本向け輸出は今后五年間に六〇%もふえるだろう』と語り、期待されている日本の産業生産の需要に伴なって、日本はカナダから原料を必要とするだろうと述べた。

島津大使は更に、日加貿易は日本の大巾な入超となっているので、カナダは日本品をもっと買って貰わねばならないのだ、カナダ政府は毎年センイ品その他の品目に對して自主規制を強要し、そのワクの交渉でも揉め合うのが實情であると訴えた。

そして日本としてはカナダ産業ができるだけ速やかに必要なるアジャストメント(調節)を行って、日本品のクォーター制の撤廢が不必要になることを希望すると述べた。

鑛夫生埋め ビーシー北方で

【ビーシー州・スチュワート】プリンス・ルバート北方約百三十哩のスチュワートにあるグランダック銅山が今週山崩れにあい、約四十人の鑛夫がほとんど生埋めにされ、いまなお二十名は行方不明である。救助隊がプリンス・ルバートから急派され、鑛夫キャンプに到着、地崩れのなかにトンネルをつくり二十名を救出した。

判明しているところによると鑛夫百二十人のうち十七名は負傷、二十名は行方不明で、キャンプは地崩れのため下敷になったもようで、アラスカから米軍の救助隊もかけつけ、遭難現地に向っている。

二十年后の硫黄島 戰火の傷跡は深い

平和な島

△戰后二十年目にみた硫黄島は異様な臭氣のたちこめる荒野の中を近代的な道路がうねうねと、果てることなくねっていた。が、生い茂るカン木の下に隱れた戰火の傷跡は、意外に深かった。(同島で行われる米軍主催日米両軍戰没者の合同慰靈祭に先立って訪れたもの。)

△飛行場におりてまず目にはいったのは、北海岸にそびえる航海用無線塔だった。高さ四百メートル、日本人勞務者の手で建設中だという。島の北海岸は、昭和二十年春日本軍が追いつめられ、最後の抵抗をして"玉砕"した地點である。そこにいま、東京タワーより高い塔が赤と白のシマ模様に色どられながら島全体を見おろしていた。

△島の中央部、飛行場周邊には米軍兵舎が立ちならんでいた。摺鉢(すりばち)山の山頂までめぐりながら屆くモダンな道路。山頂には潮風をはらんでひるがえる星條旗。そしてネムの木に似た植物が密生する丘陵。舊日本軍の『最后の防波堤』といわれた硫黄島は太平洋の平和な島にかわっていた。

△面積二十平方キロのこの小さな島で、戰い合った日米両軍勢力はアメリカ軍六万、舊日本軍二万。一平方メートル當り四人の戰士たちが肉彈をぶつけ合った島の表面から戰いの跡は消えても、戰跡地の摺鉢山周邊や林のいたるところに地下壕が昔のままの形で残されていた。さる二十七年、遺骨收集團が島を訪れたが、島で働く日本人勞務者の話では、島にくまなく掘られた地下壕、どうくつの中にまだ遺骨や銃かぶと、軍靴類が散らばっているという。(朝日記者)

日本の援助は人道的なもの

佐藤首相ベトナムにつき答辯

【東京時事通信】佐藤首相は今週の衆院本会議で勝間田清一氏(社)の質問に對し次のように答辯した。

(一)米国がベトナムで戰爭不擴大の方針をとっていることはご承知のとおりで今回の行動はゲリラ攻勢に對するやむをえざる措置である。戰爭の激化を望んでいない。

(一)米軍は日本の施設、區域を戰斗作戰行動の基地として使っていない。したがって事前協議の必要もないし、安保條約にも違反していない。

(一)日本の南ベトナムに對する醫療援助は人民福祉の向上を目的とする人道主義的な見地から行なうものだ。

(一)ベトナムの自由と獨立が非合法な勢力に脅かされているのが問題だ。米国は治安が回復すれば、軍隊も撤退するといっている。終局的には米国も國際会議の開催や話し合いによる解決が必要だといっている。問題はそのような状態が醸成されるかどうかにかかっている。

(一)椎名外相訪韓は善隣友好のためにいくもので、必要だ。

Do Japanese Girls Born In 'Hinoeuma' Make Bad Wives?

TOKYO. — One Japanese superstition is that girls born in the year of "hinoeuma" make bad wives as they bring great misfortunes to their husbands, even death.

The year of the "hinoeuma comes in cycles of 60 years under the lunar calendar and the year 1966 is it.

Consequently, superstitious couples this year will try to avoid having babies, girls in particular, who will be born next year.

In China, where the lunar calendar originated, a classical novel states that many natural disasters and calamities occur in the year of the "hinoeuma," but no mention is made of girls born in the year bringing misfortunes to their husbands.

The last year of the "hinoeuma" was in 1906, the year the great San Francisco earthquake occurred.

It is also believed in Japan that the year of the "hinoeuma" brings great fires. But records show that only one or two of the more than 60 earthquakes, floods and conflagrations which hit Japan during the Edo Period (1603-1867) occured in the years of "hinoeuma."

Superstitions abounded during the Edo Period and many tragedies were connected to them.

The belief that "hinoeuma" year brought many great fires later changed to the superstition that girls born in that year brought misfortune and death to their husbands.

Many Japanese still believe in this. Girls born in 1906 had a hard time finding husbands. Rich parents had to endow their daughters with big doweries to marry them off. Many others had to marry their daughters off to men of lower social standing.

The question then arises: "Are women born in 1906, the year of the 'hinoeuma,' really unhappy in their married life?"

"Definitely, no!" says Kikuchiyo Kameda, 51, director of the Sonoda Gakuen School of Amagasaki, Hyogo-ken, who had been studying Japanese superstitions since he was still a middle school boy.

He says he had interviewed a large number of women born in 1906 and found almost all of them leading a happy married life.

"This old wives' tale is absolutely groundless and stupid," he said.

Kameda is planning to publish a book on 100 superstitions, giving their origin and historical background.

Kameda's study into superstitions continued even after he became a science teacher in Osaka.

Shortly after he was transferred to the present Sonoda Gakuen in 1962, he interviewed parents of 100 students in the middle school grades. He discovered that 74 of them believed that the stars under which othey were born had great influence in molding their character.

Kameda said the parents told him that the stars under which they were born had great influence in molding their character.

Kameda said the parents told him that they consulted the stars under which their prospective brides were born in order to ensure that they were suitable to each other.

He also discovered that 66 of the parents interviewed entertained the belief that a character of a man can be ascertained from the zodiac sign of the year he was born.

Kameda then interviewed parents of 147 high school grade students with similar results.

In discovering that not only rural people but even urban people still are influenced by superstitions, Kameda is conducting a vigorous campaign to convince them that superstitions were groundless and stupid.

Tor. JCCA Extends Welcome To General Meeting

TORONTO.—1965 is proving to be a very eventful year for all Japanese Canadians. With the prospect of Japanese Immigration to Canada in the near future and the civil rights movement gaining momentum, we as Canadians of Japanese ancestry will be involved in the future happenings as individuals and as a group. An invitation to the Toronto JCCA General Meeting is extended to you to find out what your JCCA is planning for this year.

The Toronto JCCA is also privileged to have Mr. Allan Borovoy, Executive Director of the Toronto and District Labour Council — Human Rights Committee, to be Guest Speaker. Mr. Borovoy has been responsible for bringing many racial discrimination cases before the Ontario Human Rights Commission.

Many of the rights that we enjoy today, be it in Housing, resort accommodations, jobs, etc. are indirectly due to this man. We take for granted many of our daily rights. The men, such as Mr. Borovoy, are the people in the background working for us.

Won't you, as a responsible citizen, make it a point to attend this meeting?

It will be held on February 28th at the Japanese United Church (201 Dovercourt Road) at 7:30 p.m.

Entitled: "Ugly Society" . . .

Sansei Rocker Calls New Music 'Sick'

Dear Editor:

Enclosed is a story which I thought you might be interested in. It's quite a switch from what I'm usually writing about. This is my own personal opinion and nobody had to drag me to write it.

This society has gotten me so riled, I just had to say something about it, and it really is worse than when I was a kid listening to the same sort of music. I really wasn't a R&R fan, it just happened that I had the opportunity to meet these young idols and had the chance to express my opinion on them.

If you think this is a little too critical for the paper please let me know.

I have just gotten opinions from three people who think this article is doing justice, and is good. So lets hear your opinion.

Thanking you,
Carole Terada

By CAROLE TERADA

After watching Hullaballoo and Shindig for two weeks in a row, I have come to the conclusion that teenagers are living in a sick society.

I believe this ugly society of ours started just after the twist was introduced in the latter part of 1958. I didn't mind the twist and never have I condemned it. Many adults at that time thought it vulgar and sexy.

The only entertainers I enjoyed out of the four shows I watched were The Brothers Four who really made the other groups look sick. The Brothers Four could sing and the groups that were other guests couldn't sing if their life depended on it.

I feel that the teenage world of music and dancing is getting a little out of hand. When I heard the music on the programs, I thought that was bad, and then I saw the way the kids dance, not only on TV but in real life and I just laughed myself silly. The dances were animalistic, suggestive, and VULGAR. They all looked like a bunch of retards trying to show, I don't know who, that they were really terrific. If kids call the Frug, Monkey, Shimmy, Dog, Swim etc. dances, I will eat this typewriter key by key. To do these dances I would say a person would have to be slightly demented.

The entertainers today look like apes, and I mean real live human apes. They all look like the leftovers from the comic strip BC. If these boys want their hair the lengths of girls, then why don't they all wear pony tails? I think teens who idolize these singers and the singers themselves are more to be pitied than laughed at.

The attitudes of teens today are ten times worse than it was 5 years ago. Why? Because they follow the trend of their Rock and Roll heroes and heroines, who happen to be worse than what R&R was 5 years ago.

I don't know what it is with teens today, but transistor radios seem to be like an addiction with them. Being of average class, my main means of transportation is the TTC, and at 7:45 a.m. when I am trotting off to work, I am not in any mood to sit on the bus or streetcar listening to Herman and His Hermits, The Rolling Stones, or The Animals. I wish every teenager who is an owner of a transistor would buy earphones so that if they want to play this junk in the morning on streetcars, people like myself won't have to have ten fits waiting for their stop, and they can get to work without being all shook up.

I am not condemning all teenagers because I have a younger sister who is pretty darn level headed, and I realize there are hundreds more, but I do condemn those who live by the dances and the music of today.

As individuals alone, each teenager has his or her own identity, but as soon as they are in a crowd, they lose it, and everything then turns into mass hysteria. Why? Because most teens feel that to be an individual or indifferent (especially where music and singers are concerned) they will turn out to be a loner, and if you're a loner, then you're a loser, and nobody wants a loser in their crowd.

In most places, the teen society today is not accepted, mainly because they feel the teen society today is vulgar and animalistic, and I agree with them 100%.

If these apes are going to continue in entertainment I would say that there is going to have to be a drastic change. There are only two alternatives: teens today and their idols are going to have to straighten out and become civilized, or both groups are going to become uglier and more vulgar. There is no in-between. As far as I'm concerned both groups could not get any worse than they are. But then who really understands their society today?

If kids enjoy these songs today and the singers, and they don't realize the fact that they are scraping at the bottom of the barrel, then their society could possibly become worse.

Five years ago, at least the idols looked like males, and they weren't bad looking either, but today the uglier they are the more they scream, cry, faint and carry on. The Hit Makers of five years ago, some of them have become very successful, act and look like human beings, but what about the entertainers of today, if they are to be successful in five years from now, will we be looking at the same dirty looking crop that we're looking at today? Or will they change?

If anybody knows the answer, I would really appreciate his or her view on the matter. Remember I am not condemning All teens, just those who live in this ugly society and think they are IT.

'Til next time,
Carole Terada

EDITOR'S NOTE: OK, Carole, I'll give you my humble opinion. I feel that there is basically nothing different with this new crop of teenagers from yesterdays. I agree that there has been a big change, but the change has been in you, Carole. You are growing up. That's all. And may I be the first to welcome you as a raw recruit in the "older" generation. It may be painful at first but you'll get to like it.

The professional ring is always more exciting, the stakes are higher and meaningful, and it takes a real "pro" with a combination of excellent techniques and good luck to reach the top. Who knows, you may be one of them, Carole.

True, you cannot throw all teenagers into one group. It takes all kinds to make up a group. Growing up is always hard, Carole. The chemistry in your body brings out many changes besides hair and pimples. Most take it out on some form of extreme exhibitionism — theatrical athletics, the whole sick spectrum of pseudo-intellectualism, school cliques and street gangs, and so in these dances. And when these fail to do the trick, the spoiled ones make their parents feel the brunt of their discontent.

Frankly, when you were writing those articles on your rock and roll heroes, I know many felt the same way about them as you probably feel towards these new dance crazes now.

Let's look at it from the performers point of view. A recent UPI report indicated that the Beatles had sold shares of their music company and made an astronomical fee. For that kind of money, you'll find many, including myself, who would dance around in a wig, bearskin, and scream and groan out something about the unrequited love of a 13-year-old. So the blame is not all theirs.

I feel these "dances" and "music" are a healthy outlet for youngsters and a great deal better than some (perhaps most) of the things we did. And don't worry, they'll grow out of it, in time. You did, Carole. Didn't you?

1st Japanese Visit Iwo Jima Since War

TOKYO. — The first group of Japanese allowed by the United States to visit Iwo Jima since World War II left recently for the battlefield island carrying flowers for the war dead.

Nineteen Japanese newspapermen and two Japanese employed by American Military Forces flew to the western pacific island aboard a U.S. Air Force transport plane from Tokyo.

They were accompanied by American correspondents who will report the 20th anniversary of the 1945 Iwo Jima fighting in which 4,590 Americans and more than 20,000 Japanese were killed.

One of the Japanese newsmen boarded the plane carrying a bouquet of flowers to honor Iwo's dead.

A U.S. military source revealed to the press that approval of the U.S. State Department in Washington was required before the Japanese were permitted to embark for the volcanic ash island.

"An occasional Japanese under contract to the U.S. Government has visited Iwo since the war," the source said, "but this is the first official Japanese delegation permitted on the island since 1945."

Iwo Jima has been memorialized by a photograph and a bronze statue in Washington depicting the raising of the American flag on top of Mount Suribachi, the island's highest point.

A popular American ballad recounts the life of one of the flag raisers, Ira Hayes, an American Indian who years later fell intoxicated into a ditch and died.

Ernie Pyle, the World War II war correspondent, was killed on a satellite island near Iwo in the last Pacific battle before Okinawa and the Atom Bombs over Hiroshima and Nagasaki.

Iwo Jima has been held by the United States since the war and approval from Washington is required to visit it. The U.S. military maintains a small detachment on Iwo.

U.S. Marines stormed ashore on Iwo on Feb. 19, 1945, and the battle lasted until March 16.
